PROFILE INFO

I am a dedicated and enthusiastic computer science student with a passion for technology and a solid foundation in programming languages such as Python. Currently, I am pursuing a Bachelor's degree in Computer Science, with a focus on Mobile Development. As a proactive learner, I have gained hands-on experience in mobile development, graphic design, and networking. My strengths lie in my excellent problem-solving skills and creative approach to tackling complex technical challenges. I am eager to apply my academic knowledge to real-world projects and contribute to innovative solutions in the field of computer science.
